## **Palm Beach Gardens Financial Firm Blatt Financial Group Supports Employee During Breast Cancer Diagnosis and Treatment**

PALM BEACH GARDENS, FL – Hearing the words “you have cancer” is devastating to anyone that hears it. When Lauren Linn received that news in October of 2014 that she had stage 3 breast cancer, she was unsure how her employer Peter and Gina Blatt of Blatt Financial Group would react to the news. “I was concerned that I would have to quit my job – I wasn’t sure if I would be able to get the time off from work for my chemo treatments or about days when I wouldn’t be feeling well from chemo.”

But, Peter and Gina Blatt put Ms. Linn’s mind at ease. Gina Blatt said “we knew this was a devastating time for Lauren and we wanted to do what we felt was the right thing to do and not have her stress about anymore than she already was. We were able to accommodate her schedule for treatment, surgery and recovery. She was always open with us as to what her doctors had planned for her and the amount of time she would need.”

Peter Blatt stated “as a Financial Planner, I have seen the dire consequences of losing a job during a health crises and we were pleased to help Lauren.”

Ms. Linn recently received a clean bill of health and is thankful for the support from Peter and Gina Blatt as well as from the rest of the staff at Blatt Financial Group. Linn also stated, “I know of other breast cancer survivors that are not as fortunate as I am and have had to quit their jobs and then become financially destitute. I will be forever grateful to Peter and Gina for that was something I never had to worry about.”
